

Oberammergau Passion Play tours

The world famous Passion Play is being held in Oberammergau for the 41st time in 2010.

We welcome you to join us for this "once in a decade" performance either with one of our escorted tours and packages. We have a wide range of European holiday extensions available as well as these tours incorporating the play.

The fully escorted tours include the services of a New Zealand tour host.

The world famous Oberammergau Passion Play is a re-enactment of a play pledged at a moment of mortal threat.

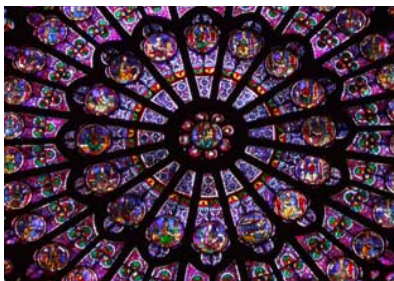

After months of suffering and death from the plague in the 17th century, the villagers of Oberammergau in Bavaria made a pledge that if the village was spared further suffering, they would perform a play dedicated to the passion of Christ every 10 years.

They have maintained this pledge, from the first in 1634, through until the current time - and 2010 is your chance to experience this "once in a decade" event for yourself.

These escorted tours include play tickets, transfers, accommodation, entrances and meals as per itinerary. Airfares are additional.

We also have suggested post tour extensions and other touring options available.

Unlike others, these Oberammergau tour are designed "by and for" New
