Changes to itinerary - Items specified in the itinerary may be amended dependent on local availability and conditions. We reserve the right to vary the itinerary should circumstances make this necessary.

Currency fluctuation - Due to the low cost of this package and as payment for a substantial portion of this package is in foreign currencies we reserve the right to adjust the final cost should the comparative value of the NZ dollar deteriorate. This is only applicable where final payment has not already been received.

Cancellations and amendments - Cancellation of package after registration - loss of deposit. An amendment fee of \$75, plus any supplier charges will apply for every amendment to your booking after registration. There is no refund for any unused services, concert tickets or flights. For cancellations after 30 days of final payment - loss of deposit plus 50% of balance of the package cost plus any additional supplier deductions applicable at that time. Cancellation subsequent to this - no refund.

Travel insurance - It is recommended that you take out a fully comprehensive travel insurance policy for all travel. This insurance is to include cover for loss of deposits as well as medical treatment and special services covers. A special premium discount rate applies for policies issued by us. Where travel insurance is not purchased through us, please note that a claim assistance fee will apply.

It is the responsibility of travellers to acquaint themselves with the destination and official travel advisory notices and obtain their own advice on medical precautions applicable to each destination.
